PRELIMINARY AMENDMENT

Hon. Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Sir:

Please amend the above-identified patent application as follows:

In The Claims:

Please cancel claims 18-25.

Remarks

This amendment, cancelling claims 18-25, now leaves the application with (a) claims 1-16 which are identical to those claims originally allowed and patented, except for a minor amendment to claims 1, 15, and 16 to clarify the invention in response to a § 112 rejection received in a parent reissue application to this application, and (b) independent claim 17 which claims applicants' invention relating to the quench unit.
